2023 FALL EDUCATION CLASSES:
Continuing education is important for any professional to stay current with the latest developments and skills required for their field. We pride ourselves on offering more than 80 credit hours of classes every year so our members can expand their industry expertise and advance in their careers. For one low price, NMAR members can purchase a professional development voucher that covers all regular continuing education courses offered by NMAR through the licensing year.

NORTHWEST MONTANA ASSOCIATION OF REALTORS®

THAT'S WHO WE REALTOR®

Registration for all classes closes at noon the day prior to the class to allow staff time to get ready for the class.
